Dear Residents and Interested Parties,

The agenda for the Regular Town Council meeting this Thursday, October 26th at 9 a.m. is attached.

- Now that the solid waste contract has been awarded to both **Republic Services** and **Waste Management**, details on implementation are being finalized. It's our intent to communicate with each HOA regarding the options and rates next month.
- FEMA has asked us to let you know that **if you are interested in filing for private FEMA assistance**, the deadline is November 9. A few situations that may apply following Hurricane Irma are if you were unable to work due to mandatory evacuation or the power outage, loss of food, or loss business revenue.
