**Attachments:** media release Bridge Loan workshops scheduled.docx

Dear Residents and Interested Parties,

- The Town Council preliminary **election results** this morning are that **Brian Foley** and **Sam Carroll** will be **sworn in on November 19<sup>th</sup>** at 8:30 as your **newly elected council members**, serving a 4 year term. Please congratulate them when you see them! Former Vice Mayor **Mike Ochsner** and former Councilman **Dick Haverland** will be recognized for their dedicated service at the Regular Council meeting at 9 am on the 19<sup>th</sup>.

Choice	Percent	Votes
Brian T. Foley	39.57%	1,512
Michael Blair Ochsner	29.26%	1,118
Jesse L. "Sam" Carroll Jr	31.17%	1,191
		<b>3,821</b>

- The **East sidewalk** on A1A will only be installed between Beachcomber Lane and the Northern end of the Village Shops, and **bike lanes will be wider** following public input at the November 1<sup>st</sup> meetings. The speed limits remained as they are.
- RECYCLING 1:** The **reason** we have gone to the new large recycling carts is this: The [State of Florida mandated that recycling be increased to 75%](#) for all counties over 100,000 in population. The Town, to help the County meet this goal, instituted a [mandatory recycling ordinance](#) this summer. Your cooperation and understanding are greatly appreciated.
- RECYCLING 2:** Rumors that the **TRUCK** is the side-loader that will break branches in our beautiful tree canopy is **false**. The **same back-load trucks that have been servicing** your neighborhood for recycling will *continue* to operate.
- We have **volunteer opportunities!** The **Police-Fire Pension Board** (Council-appointed position), **Finance Committee** (alternate position) and **Code Enforcement Board** (3 positions) all have openings. Please [check the Boards & Committees page](#) on the Town's website.
- This Saturday** the Indian River Land Trust and Pelican Island Audubon Society will host the first [Birding Tour of the season at Bee Gum Point](#) at the bend on Fred Tuerk Drive at **7 am**. [www.irlt.org](http://www.irlt.org) This 111 acre wetland features a 1.5 mile sandy trail that touches the Lagoon and interior wetlands, most enjoyable with binoculars, cameras and zoom lens.
- RED Tide** is gone from our area! The total poundage of dead fish removed in Indian River County was over 160,000 pounds, the grant the County received for the cleanup was over \$500,000, the economic impact of three weeks of closed beaches – over \$1 million. Please see the attached flyer if you have a business that was financially impacted and are interested in assistance.
- If your **AT&T wireless** service still has not improved **and** you have already tried rebooting your phone (off/wait 60 seconds/on), you may want to contact customer support with your account or device information ready before being connected to a live **representative** at 800-331-0500 and keep pressing 0.
- TOYS FOR TOTS collection** is being held by the Indian River Shores Public Safety Department from now until **December 15<sup>th</sup>**. Please bring unwrapped toys to the collection bins at the Postal Center or the Public Safety Department at the Indian River Shores Municipal Complex.

Respectfully yours,

*Laura*
