Dear Residents and Interested Parties,

Attached please find the agendas for next Thursday's meetings. The **Regular** Town Council meeting will begin *immediately following* the General Employee's Defined Benefit Pension Board meeting, which begins at 9 a.m. All of our Council and Board meetings are open to the public, and receive short public comments at the conclusion of the meeting.

Other news you may use:

- Town Hall offices with the exception of the **Postal Center (CLOSED)** are **open Monday**, February 20, President's Day.
- The **telephone system** has had problems since Friday (Comcast area outage) and has been intermittently working. Thank you for understanding, and contact us through email if you cannot get a telephone connection.
- We had a resident request **updates on the train**. "Googling" reveals many [websites such as this](#), and we encourage independent research and choice rather than the Town promoting any particular source over another. At least two of our residents are very active in following this topic. Please email me if you would like to get in contact with them for news that they distribute.
- The County has been **closing public beach accesses** for sand restoration this past month. It appears that the Tracking Station and Turtle Trail may be open, but Sea Grape is still closed.
- If you would like to be involved on the Town's **Finance Committee**, there is an opening for an alternate member. Please see [this page for information](#).

Thank you for your continued interest in the affairs of the Town.

Very truly yours,

*Laura*
