Dear Residents and Interested Parties,

The meetings yesterday, September 6, were very brief. The Council actions were as follows:

- Four modifications to the Community Center were approved, and
- The **tentative budget** for FY 18-19 with a **tentative millage rate** of 1.289 was also **approved**. This rate is the rolled-back rate, which is *less* than what it takes to run the Town as \$470,000 from the sale of the 5-acre tract of property will be drawn from the reserves as a refund to the property owners.

There isn't much other news, other than:

- Periodic **delays can be anticipated due to lane closures** on the Eastbound lane of **Old Winter Beach Road** from **Monday, September 10** until **Wednesday, September 19**, between 9 am and 4 pm.
- The [tropics are very active](#), so please don't forget to stay closely aware. We will update you if anything approaches that will directly impact our area.

Respectfully yours,

*Laura*
