

## **Dune Crossover Checklist**

### **Non- Structural Maintenance**

Non-Structural maintenance work valued at \$1,000 or less performed on a previously permitted structure will not require a building permit. This will be per Building Official/designee review and approval.

The [Minor Repairs Form.pdf](#) must be completed as well as photos supplied of the area to be repaired.

Demolition permits will need to be obtained from the Town prior to removal of any unpermitted/unconforming structures.

### **Items required for a dune crossover permit:**

- Approval and CCCL permitting from FDEP (Seaward of CCCL) [CCCL@dep.state.fl.us](mailto:CCCL@dep.state.fl.us)
- Multi Trade Permit Application [www.irshores.com](http://www.irshores.com).
- Notice of Commencement (if value exceeds \$2,500.00)
- Signed/sealed plans from a FL Design Professional.
- Payment due at submission. Credit card authorization forms are available on the website.

***Once all items above are approved, the Final inspection may be requested by the contractor.***
