

THE TOWN OF *INDIAN RIVER SHORES*

UNDERGROUND TANK & LINE INSPECTION AFFIDAVIT

Permit: _____

Job Address: _____

Contractor Name: _____ License #: _____

Contractor Certification:

*I certify that the underground tank, anchoring systems, and/or lines at this address were installed in strict compliance with the **Florida Building Code** [flsenate.gov] and manufacturer specifications.*

- **Floatation Prevention:** The tank has been properly strapped and anchored to prevent floating or shifting due to high water tables.
- **Immediate Backfill:** To eliminate open-hole safety hazards and float risks, the excavation was backfilled immediately after installation.
- **Photo Evidence:** High-resolution photographs showing the open excavation, tank tags, strapping, and line connections have been left on-site and uploaded to the town's permit portal.

I assume full liability for the buried work. If photo evidence is insufficient, I agree to re-excavate the site at my own expense.

Contractor Signature: _____ Date: _____
